

BLUE LEVEL CONDITIONING & STRENGTH

- ☆☆☆ Chin up hold (20 sec)
- ☆☆☆ 1 Chin up (overhand grip)
- ☆☆☆ 10 tuck ups (on floor)
- ☆☆☆ Handstand against wall (20sec)
- ☆☆☆ 10 pushups (from knees)
- ☆☆☆ 20 sec hollow body (bent knees)
- ☆☆☆ 5 candle stick straight jumps

Fill in a star each time you complete one of the exercises.

Work on your strength and conditioning skills at home as much as you can. If you don't have a bar at home, go to a playground or just work on your other conditioning skills.

Star Tip

Stretching and flexibility is as important as strength for preparing for gymnastics. So stretch at home, especially after you do strength exercises or when your body is warm.

Remember, the most important skill in gymnastics is the handstand. And you can work on your handstand anywhere there is a wall, just make sure you do it with an adult around!

Important Dates:
